from Apps Store
to program
your card**

Step 1

Click on the
**Write Business
Card Button**
to Start!

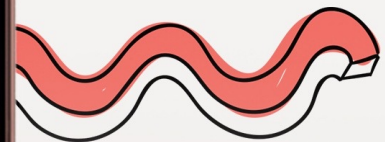

Step 2

**Type in
your name
& other
information**

NO SYMBOL

A smartphone screen displaying a contact form. At the top is a blue logo consisting of three stacked chevrons. Below the logo are two input fields: 'Contact Name' and 'Organization'. Underneath these are two buttons: 'READ' and 'PROFILE'. Below the buttons are three more input fields labeled 'Position', 'Work Tel', and 'Home Tel'. The phone is decorated with various colorful graphics: a blue zigzag on the left, a blue zigzag on the right, a red wavy line at the bottom right, and a green triangle at the bottom left. Orange squiggly lines with arrowheads point to the 'Contact Name' field, the 'Position' field, and the 'Work Tel' field. A black dot is located to the right of the 'Work Tel' field.

Step 3

**Make sure you
start with http
or copy directly
from browser**

No need input

A smartphone screen displaying a form with the following fields:

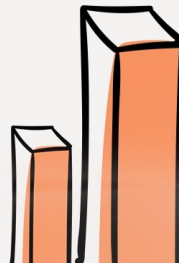

- Website Link1
- Website Link2
- Website Link3
- Website Link4
- Website Link5
- Digital Profile Link
- Address

Red arrows point to the first and fourth fields. The Digital Profile Link field is highlighted with a light purple background. A blue line is visible at the bottom of the screen.

Step 4

Click on
Profile
to create
digital
business card

A smartphone screen displaying a contact profile form. The form includes a circular profile picture placeholder with a blue and white zigzag icon. Below the icon are fields for "Contact Name" and "Organization". At the bottom of the form are two buttons: "READ" and "PROFILE". The "PROFILE" button is highlighted with a red triangle and a red line. Below the form are three input fields for "Position", "Work Tel", and "Home Tel".

Step 5

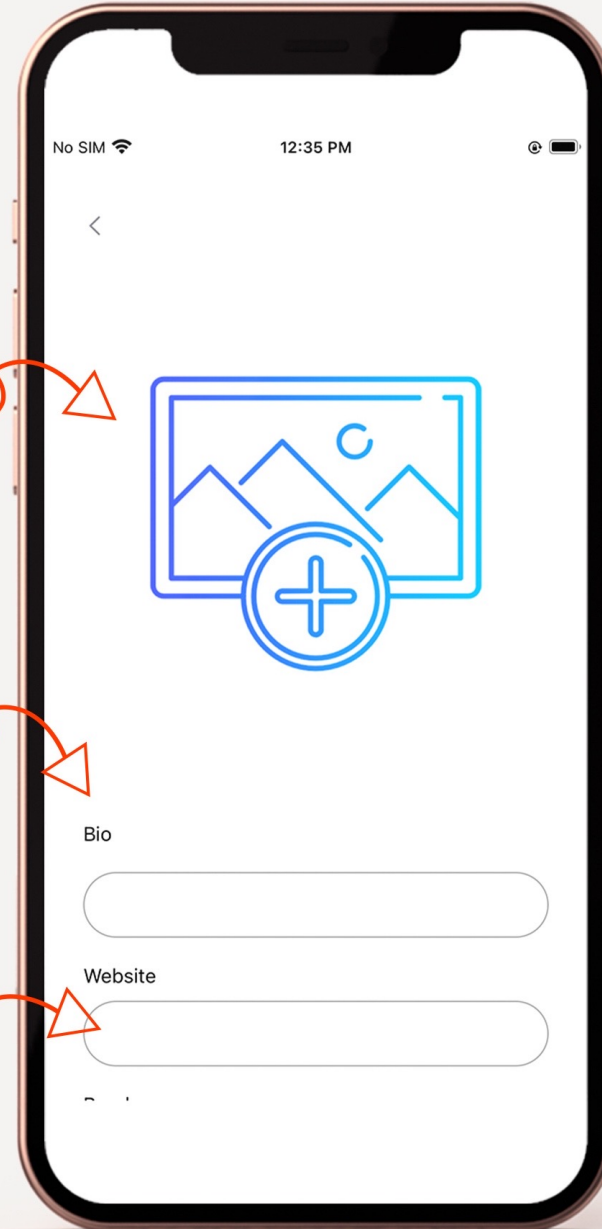

Upload Photo

**Include a Bio
of yourself**

**Input links
for your web
profile**

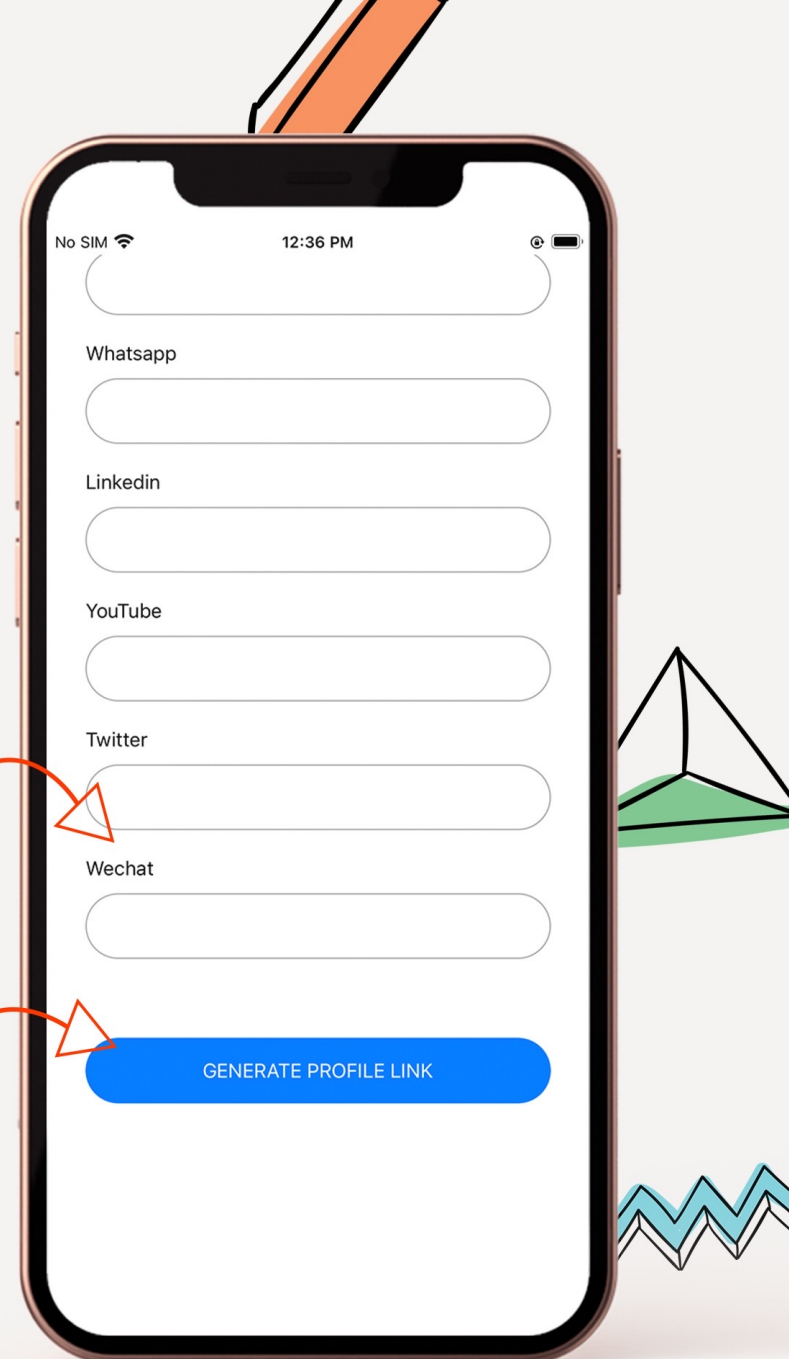

Step 6

Input your
Wechat ID

.

Click on
**Generate
Profile Link**
when complete

A smartphone screen displaying a form for generating a profile link. The form has a status bar at the top showing 'No SIM', signal strength, time '12:36 PM', and battery level. Below the status bar is an empty input field. The form contains labels for 'Whatsapp', 'Linkedin', 'YouTube', 'Twitter', and 'Wechat', each followed by an empty input field. At the bottom of the form is a blue button labeled 'GENERATE PROFILE LINK'. Two orange arrows point to the 'Twitter' and 'Wechat' input fields. The phone is decorated with a blue zigzag graphic on the left, a green pyramid on the right, and a blue zigzag graphic at the bottom right.
